## Tails & Tales Teen Trivia Summer 2021

**Directions:** During each two-week period, look for colored eggs hidden throughout the upstairs areas of the library. There are three clues (and thus three eggs) for every color. Use the clues to identify the egg laying animal and write your guess on the correct line. After you discover an egg, you may re-hide it somewhere in the same section of the library. *Return your completed sheet by August 31, 2021 in order to enter the prize drawing.*

June 7 - June 18 --- **Pink Eggs**

I think the animal described by the clues is a \_\_\_\_\_.

June 21 - July 2 --- **Orange Eggs**

I think the animal described by the clues is a \_\_\_\_\_.

July 5 - July 16 --- **Yellow Eggs**

I think the animal described by the clues is a \_\_\_\_\_.

July 19 - July 30 --- **Green Eggs**

I think the animal described by the clues is a \_\_\_\_\_.

August 2 - August 13 --- **Blue Eggs**

I think the animal described by the clues is a \_\_\_\_\_.

August 16 - August 27 --- **Purple Eggs**

I think the animal described by the clues is a \_\_\_\_\_.
